REQUEST FOR RECONSIDERATION

Sir:

The following remarks are in response to the Office Action mailed October 25, 2004.

1. Claims 1-11 are pending herein. Claims 1-11 were rejected under §103(a) over Lalonde in view of Rogers and in view of Eggleston. This rejection is respectfully traversed.

As discussed in the June 28, 2004 Amendment, pending independent claims 1 and 7 respectively recite, among other things, a content data processing system and a content data processing method including a notice control module for controlling a notice of prize information and a registration control module for registering, as applicant information, attributes of applicants who have applied for the prize information. The applied prior art of record, discussed below, fails to disclose or suggest these claimed features.

Lalonde discloses an interactive computer system in which buyer characteristics or preferences are stored in a buyer database. Lalonde's system provides information to users
